

Lanview LVN125310 wire connector RJ45 Transparent

Model: LVN125310

Manufacturer: LANVIEW

EAN: 5704174320531

Product Code: 505950

R1,469

RJ45 plug used for mounting on stranded/solid cable. New terminating principle (easy connect) simplifies the terminating by allowing the conductors to be pulled through the front of the connector. The performance is optimized by the reduction of distance between pair twist and contact pins.
