

Lanview LVN128146 keystone module

Model: LVN128146

Manufacturer: LANVIEW

EAN: 5704174319085

Product Code: 505976

R797

This Unshielded Cat6a Keystone Jack for patch panels and other data installations allows for multiple cable entry directions to be accommodated when this jack is mounted in a standard depth back box. This permits many mounting options including flush shutters at the outlet as well as more common angled shutter used with keystone jacks.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
