

Microconnect CAT6 FTP to USB A-C adapter cable, 1 meter

Model: MC-RJ45USBC-01

Manufacturer: MICRO CONNECT

EAN: 5715063466841

Product Code: 507022

R1,062

Network connection without a network socket using a combined cable. This cable connects devices with only USB-C or USB-A ports to a high-speed wired network, eliminating the need for a bulky RJ45 adapter.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
