R858

High-quality photo printing

Print high-quality photos that can last up to 300 years in a photo album1 with this five-colour ink series with a photo black ink. From producing outstanding, glossy photos to everyday documents, this ink series will give you high-quality results with suitable EcoTank printers.

Unleash your creativity

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Feel free to print your photos without worrying about the cost with this ink series . From the first set of inks included with an EcoTank printer, you'll have enough ink to print up to 3,400 (10x15cm) photos2.

Specially engineered for ease of use

Epson's ink bottles are easier to use than ever before with the next generation design. The re-engineered bottles provide mess-free refills, and only allow the correct colour to be inserted into the corresponding tank.

The genuine article

Enjoy hassle-free and reliable printing with Epson's genuine inks. We invest in extensive research, high-tech manufacturing facilities and put our products through rigorous tests, to deliver the best quality product to you.
