4-in-1 EcoTank mono printer

This 4-in-1 EcoTank can help reduce your printing costs. Reliable, time-saving and energy-efficient, it includes ADF, Wi-Fi and Ethernet.

Print using Wi-Fi or Ethernet with this durable, fast and energy-efficient 4-in-1 EcoTank. A cost-efficient solution, print up to 11,000 pages with the included black ink1. Select features directly using the 6.1cm colour touch panel. A big time saver, use the Automatic Document feeder (ADF) to scan and copy several pages automatically. Save space with a 4-in-1 combining print, scan, copy and fax.

Reduce your printing costs

You can save up to 50% in three years compared to monochrome laser printers with EcoTank. It features a large refillable ink tank that you fill with the included ink bottles instead of toner. From the start you have enough ink to print thousands of pages, slashing costs and saving time.

Reliable

Giving peace of mind, every EcoTank mono printer comes with a one-year/100,000-page warranty.

Save energy

Cut energy usage and reduce overheads with an EcoTank mono printer. It can save up to 95% in power consumption compared to mono laser printers.

Connectivity solutions

Print from anywhere in the office with Wi-Fi connectivity and Epson's free mobile printing apps. Use Ethernet for a fast and high-quality connection.

Low cost replacements

While refills are likely to be few and far between, you'll be able to save over 90% on the cost per page with replacement ink bottles.

Save time

Don't waste time changing supplies - with an ink tank system you can essentially fill it up and forget about it. Printing is fast with no warm-up time and speeds of 20ppm.

Advanced business features

Experience the PrecisionCore printhead that's renowned for its speed, quality, reliability and efficiency. Save paper with automatic double-sided printing and minimise repetitive tasks with the Automatic Document feeder (ADF) and 250-sheet tray.
