help to reduce reintroduction of dust, pollen and other allergens into the air. BISSELL advises users to change the filters at least every 3 to 6 months depending on use. Clean or new filters can extend product's performance and life. Both filters are washable and easy to maintain and replace. Pre-Motor Filter helps prevent large debris from reaching the motor. | Compatible products: Series 2907 | Package type: Carton | Type: Filter | Capacity: No | Quantity per pack: 1 x Pre-Motor Filter; 1 x Post-Motor Filter | Gross depth master carton: 268 | Gross width master carton: 187 | Gross height master carton: 176 | Net weight master carton: 0.504 | Tare weight master carton: 0.15 | Palette Qty: 1170 | Producer: Bissell
