

Axagon CRL-M2 Passive aluminum cooler for all M.2 SSDs, size 2280, high 12 mm.

Model: CLR-M2

Manufacturer: AXAGON

EAN: 8595247903976

Product Code: 512516

R799

AXAGON CLR-M2 ALU passive cooler for ideal cooling of high performance M.2 SSDs.

The versatile passive cooler can be used for M.2 cards, size 22 x 80 mm.

Three delivered thermally conductive pads with a different thickness will allow to install the cooler for all one-sided as well as double-sided M.2 SSDs.

The 8mm aluminium finned cooler assists in a better discharge of heat generated during the M.2 SSD operation, thus allowing to reduce the drive temperature by as much as 25°C.

Thanks to its easy installation and compact dimensions, the cooler can be used not only with M.2

AXAGON adapters, but also with M.2 (NGFF) slots on motherboards, etc.

Features:

- Support of M.2 drives of any capacity.
- Support of both one-sided and double-sided M.2 drives.
- Support of M.2 drives, size 22 x 80 mm.
- Support of SATA (AHCI) as well as NVMe (PCI-Express) M.2 drives.
- Aluminium cooler body.
- 3 thermally conductive pads can be deliberately combined and used for both one-sided and double-sided SSDs with various heights.
- Compact dimensions 76 x 24 x 10 mm.
- Weight 21 g.

Package contains:

- 1 passive cooler,
- 3 thermally conductive pads,
- mounting material and a screwdriver,
- packed in a cardboard box.
