

Epson Pro WF-M5399DW inkjet printer 1200 x 2400 DPI A4 Wi-Fi

Model: C11CK77401

Manufacturer: EPSON

EAN: 8715946716848

Product Code: 513304

R11,999

Fast, low energy mono printer

Increase productivity and reduce intervention with this mono printer, all while reducing your business printing costs due to fewer replacement parts.

Take advantage of low power consumption, low Total Cost of Ownership (TCO), a fast First Page Out Time (FPOT)[1] and features designed for easy business integration with the new WorkForce Pro WF-M5399DW. This business inkjet printer benefits from automatic duplex printing, making any job easy and efficient. Along with PDL compatibility, including PCL and PostScript 3.

Save money

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

A reliable choice, low Total Cost of Ownership (TCO) and fewer replacement parts make this an attractive choice for businesses on a budget.

High productivity and low intervention

Increase productivity with a fast First Page Out Time (FPOT) of 4.8 seconds from ready[1]. Print up to 40,000 pages without changing supplies with a high ink yield. A paper capacity of up to 1,830 sheets (3 x optional 500 sheet cassettes) means less time spent refilling paper. A simple paper path and non-contact printing allows it to print on a wide range of media including recycled paper, glossy media.

Reduce your environmental impact

Improve your businesses environmental impact, while keeping productivity high and energy costs lower.

Built for business

Perfect for small workgroups, a variety of software solutions can be integrated into your IT infrastructure to improve efficiency. Epson Print Admin creates a secure printing, scanning and copying environment through user-authentication.
