Tefal Toaster: Your favorite settings at a touch

Enjoy perfectly browned toast adapted to every taste, with the Tefal Toaster – the modern, intuitive toaster that is as refined as it is forward-thinking. This sleek all-black toaster lets you save your preferred settings so they're just a touch away, ensuring your toast is always how you like it. Featuring a seamless, minimalist digital screen that shows the live countdown of the toasting time, it also offers a range of seven browning levels, from lightly golden to extra crispy – perfect for customized results. Additional convenient features include dedicated Stop, Defrost and Reheat functions with light indicator, variable width slot with automatic bread centering, a removable crumb tray for easy clean-up, and a high-lift lever for facilitated toast removal. Plus, it offers a streamlined aesthetic and intuitive design that is perfect on the countertop of any modern, sophisticated kitchen.
