

Lenovo H110 Gaming Headset Wired Head-band Black

Model: GXD1P46879

Manufacturer: LENOVO

EAN: 195892099888

Product Code: 514294

R1,110

The Lenovo H110 Gaming Headset delivers exceptional sound quality, crystal-clear communication and lasting comfort, all while being environmentally conscious. Featuring 50 mm drivers and an omnidirectional microphone, this headset guarantees an immersive gaming experience and enables seamless communication with your fellow gamers. Its plush foam, breathable leatherette material and lightweight design ensure optimal comfort even during extended gaming sessions.

Unmatched audio quality

Immerse yourself in the details with high-end 50 mm drivers that deliver rich, realistic audio. Professionally tuned to perfection, the speakers can be controlled on-the-fly with the in-built volume wheel.

Uninterrupted communication

When victory depends on communication, the incredible omnidirectional voice capturing microphone keeps you connected with our allies in real-time. Better yet, the swivel-to-store design of the microphone ensures it is easy to pack and protect when it is time to roll out. With the slide-to-mute button on the H110, you can go from live to radio silence effortlessly, too.

Uncompromising comfort

Although light and minimal, the H110 does not compromise on comfort. You’ll find the soft-padded ear cups with breathable leatherette never cause you distracting discomfort.
