Acer VisionCare 3.0 technology reduces eye strain by detecting the amount of light in the environment and automatically adjusting to provide the most comfortable viewing experience possible.

Convenient Conferencing

The adjustable webcam paired with Windows Hello™ not only makes it easier to sign in, but gives you the flexibility to find the best and most comfortable angle during online meetings.

Tidying Up

Reduce unnecessary desk clutter by using the USB Type-C and RJ45 ports located directly on the monitor itself.

Daisy Chain Multiple Displays

Easily link screens together with a single connection with daisy chain functionality1.

Adaptive-Sync

With Adaptive-Sync, the monitor’s framerate is synced with that of the graphics card, which eliminates screen tearing and delivers ultra-smooth video playback.
