

Axagon ADSA-1S6 USB 3.0 - 2.5" HDD SATA

Model: ADSA-1S6

Manufacturer: AXAGON

EAN: 8595247903075

Product Code: 514537

R749

A compact AXAGON ADSA-1S6 SLIMport6 high-speed adapter with USB 3.0 and SATA 6G interface intended for easy connection of SSD or 2.5" SATA disk.

A handy tool to quickly connect a SSD or laptop disk, including boot support.

The UASP support significantly increases transmission rates especially when working with small files in the queue.

The TRIM feature support limits the gradual degradation of SSD performance over time.

Reading of S.M.A.R.T. information monitoring the condition of the connected disks. Supports spinning down of connected disks as well as an adapter.

The installation can be handled even by a layman - the disk connects to the adapter and the adapter to the computer's USB port; the rest is done automatically.
