

Blitzwolf 8in1 docking station BW-TH16 USB 100W LCD Smart Display

Model: BW-TH16

Manufacturer: BLITZWOLF

EAN: 5906168439230

Product Code: 515526

R1,897

Blitzwolf BW-TH16 8-in-1 USB Docking Station 100W LCD Smart Display

The Blitzwolf BW-TH16 docking station is an advanced multifunctional tool for demanding users. It offers a wide range of functions, fast charging, high-quality data transfer and efficient cooling. Its versatility and intuitive operation make it an ideal choice for those who value convenience and professionalism. Equipped with 8 different interfaces, it allows you to connect multiple devices, allowing you to conveniently use your computer, TV, projector and other equipment.

Efficient cooling and intelligent temperature management

With a built-in 10,000 RPM fan, the Blitzwolf BW-TH16 station provides effective cooling even during intensive work. The air intake and exhaust ensure a stable temperature, so you don't have to worry

about overheating, regardless of the number of connected devices.

Data transfer and multimedia in 4K quality

The Blitzwolf BW-TH16 docking station allows you to share media in 4K 60 Hz quality, thanks to the HDMI port. Effortlessly connect your TV, projector or monitor to enjoy excellent picture quality. With the USB 3.0 interface, data transfer is fast and smooth, allowing you to transfer files between devices instantly.

Fast charging and wide compatibility

The station supports PD fast charging, offering an 85W output and 100W input, so you can charge your devices in no time. Compatibility with external hard drives and the ability to use SD and TF cards simultaneously make the BW-TH16 station a great tool for work and entertainment.

Intuitive display and easy operation

Equipped with an intuitive LCD display, the station allows convenient monitoring of all connected devices. The lightweight, compact design and high-quality tempered glass finish give it a modern look. Built-in buttons make it easy to turn the device on and off, and thanks to plug and play technology, you don't need to install additional drivers.
