

Darkflash TH285 computer case (white) + 4 fans

Model: TH285 White

Manufacturer: DARKFLASH

EAN: 4711527000645

Product Code: 515536

R2,065

Darkflash TH285 computer case (white) + 4 fans

Darkflash TH285 is an ATX-type case with 4 fans that offers a solid base for building high-performance computers. Its dimensions are 426 mm x 285 mm x 403 mm, which allows even large components to be placed freely. It is made of durable 0.7 mm thick SPCC steel, ensuring resistance to damage.

Effective cooling

The Darkflash TH285 is equipped with 4 pre-installed fans that effectively promote airflow and take care of proper temperatures. It is possible to mount up to 7 fans. The side panel provides space for 3 120 mm or 2x 140 mm fans, while a single 120 mm fan can be mounted on the rear panel. The bottom part of the case will accommodate 3 120 mm fans, which ensures free airflow from the bottom to the top. In addition, the chassis allows the installation of a radiator of up to 360 mm on the bottom and up to 280 mm on the side, guaranteeing flexibility in the selection of a water cooling

system.

Transparent tempered glass panel

The side panel is made of tempered glass, which allows a full view of the case's interior. This allows you to admire the carefully arranged components.

Supported board and power supply standards

The TH285 is compatible with ATX, M-ATX and ITX standard motherboards. With a bottom-mounted PSU with a maximum length of 240mm, the case allows for optimal cable placement and better airflow. The solution used also helps to separate warmer air from the CPU and graphics card, resulting in more stable temperatures for the entire system.

Maximum compatibility

The TH285 case allows the installation of a graphics card with a maximum length of 415 mm - so it is compatible with the latest and most powerful models available on the market. In addition, the maximum height of the CPU is 160 mm, which allows the installation of powerful cooling.

I/O panel functionality

The top I/O panel features a USB 3.0 port for high-speed data transfer, 2 USB 2.0 ports, as well as an HD audio jack. Such a layout allows easy access to the most important connectors and allows connecting a variety of peripherals. In addition, the case offers power and reset buttons.

Expansion options

The Darkflash TH285 offers support for up to 2 HDDs and 3 SSDs, giving you plenty of storage flexibility. The 2.5" and 3.5" drive bays allow you to customize your storage space accordingly, allowing you to store games, applications and large files simultaneously.

Manufacturer	Darkflash
Model	TH285
Housing type	Midi Tower
Side panel	Tempered glass
Motherboard standard	ATX, M-ATX, ITX
Power supply standard	ATX at the bottom
Slots for internal drives	3.5" HDD x2, 2.5" SSD x3
Expansion card slots	7
Max PSU length	240 mm
Max length of graphics card	415 mm
Max height of CPU cooler	160 mm
Max number of fans	7
Fan mounting options	Side: 120 mm x3 / 140 mm x2; Rear: 120 mm x1; Bottom: 120 mm x3;
Water cooling mounting options	Bottom: 240 mm / 360 mm; Side: 240 mm / 280 mm;
Number of fans installed	4 (3 at the bottom, 1 at the back)
Type of fans	Air12S, 5V 3-pin, 4-pin, ARGB
Buttons and controls	Power, Reset
Connectors	USB 3.0 x1, USB 2.0 x2, HD Audio
Material	0.7 mm SPCC
Color	White
Height	403 mm
Width	285 mm
Depth	426 mm
Weight	8.42 kg

Net weight: 7700, Box length: 45,00, Box width: 36,50, Box height: 51,50, Gross weight: 9460, GPSR Link: https://psr-assets.innpro.pl/gaming/sg_gaming_housings.pdf
