Uperfect UXbox E4 M185T08 18" 1920x1080 120Hz Portable Monitor

The Uperfect UXbox E4 M185T08 Portable Monitor is a reliable choice for those looking for a mobile monitor that combines high image quality with functionality in a compact form factor. Its 18-inch Full HD screen with a resolution of 1920 x 1080 provides detail and clarity that will work well for work, entertainment and gaming.

Smoothness for maximum comfort

The monitor offers a refresh rate of 120 Hz, which guarantees smooth images - ideal for both gaming and dynamic movies. The 14 ms response time minimizes ghosting, ensuring a clear picture even during fast movements.

Rich colors - perfect color reproduction

The Uperfect UXbox E4 M185T08 features a rich color palette, covering 72% of the color gamut and 100% of sRGB, which translates into accurate color reproduction and fullness on the screen. This monitor will be perfect for work where accurate color reproduction is crucial - whether in graphic design, video editing or working with photography. The 16.7 million colors (8-bit color depth) provide clarity and realistic tonal transitions.

Full HD resolution

The Full HD IPS display with a resolution of 1920 x 1080 delivers a detailed image with excellent sharpness for both work and entertainment. With a brightness of 300 nits, the monitor offers optimal visibility, even in bright environments, and the 178° viewing angle ensures image legibility regardless of the viewing angle for easy group work.

Versatility of connectors

Two full-featured USB-C ports allow you to transfer both video and audio for a quick connection to your laptop, phone or tablet. An additional mini HDMI port with 4K support expands connectivity to a variety of devices. Convenience is also enhanced by a 3.5mm audio output, allowing you to connect headphones or an external audio system.

Robust design

The monitor is made of durable ABS plastic and metal components, making it durable and resistant to damage. Thanks to its compatibility with the 75 x 75 mm VESA mount, the monitor can be mounted on an arm or wall bracket, making it a flexible solution for any interior, from the office to the home desk.

Basic sound without additional accessories

The monitor features 2 integrated 1W speakers that offer basic sound quality, allowing you to enjoy multimedia without the need for additional equipment. This convenient solution will work especially well on the road or during quick presentations, providing sound tailored to everyday needs.
