Viture Pro USB-C XR adapter for iPhone

The Viture Pro USB-C XR Adapter for iPhone, a small but powerful adapter, is a one-of-a-kind accessory that unlocks the full capabilities of the XR on Apple devices. Featuring 3DoF (i.e., head tracking) and native support for 3D video, Apple's surround movies and multi-screen mode, it makes you immerse yourself in content like never before. Think of the multi-screen, cinematic XR experience you always have at your fingertips - literally.

Play, work and charge - all at once!

The Viture Pro USB-C XR adapter lets you use your XR glasses and charge your iPhone at the same time, so you enjoy uninterrupted entertainment. Clearly marked ports make connecting devices quick and intuitive. On top of that, the adapter's compact, lightweight design makes it the perfect
