IsEasy T4-04 ceramic/electric cooktop.

The IsEasy T4-04 is an elegant four-zone cooktop that combines modern design with exceptional functionality. With 1200W of power for the two smaller fields and 1800W for the two larger ones, it provides adequate capacity to prepare a variety of dishes in a short time. The compact, built-in design makes the device fit perfectly into any kitchen, while saving countertop space. It's the ideal option for those looking for comfort, energy savings and modernity all in one.

Precise power control

With different power levels and a built-in timer, the IsEasy T4-04 cooktop allows you to precisely adjust the temperature to suit the type of food you are preparing. With 9 power levels, you have full control over the cooking process - from quick heating to long stewing. In addition, a timer with a maximum time of 99 minutes provides convenience, allowing you to accurately monitor cooking time and eliminating the risk of burning food.

Aesthetics and space saving

The built-in design of the IsEasy T4-04 hob makes the appliance fit perfectly into any interior. With dimensions of 59 cm in width, 52 cm in length and 5.8 cm in height, the hob fits perfectly into any modern kitchen. It's an investment in aesthetics and functionality - convenient cooking without taking up valuable space.

Efficient cooling

Modern cooling solutions make the IsEasy T4-04 hob quiet and efficient. The updated internal system quickly dissipates heat, allowing safe and comfortable cooking without unnecessary noise. This makes using the device a pleasure, so you can focus on preparing delicious meals.

Convenience for everyday use

The hob has a practical glass surface, which not only looks modern, but also makes it easy to clean. You can easily remove food and fat residues and easily keep it in perfect condition. This is a convenient solution that will save you time and energy, and the kitchen will always remain clean and aesthetically pleasing.

Compatible with most cookware

IsEasy T4-04 hob is compatible with most cookware, such as stainless steel, enamel, cast iron, ceramic or copper. This gives you full freedom in your choice of pots and pans, without having to invest in specialized equipment. It's ideal for people who appreciate convenience and flexibility in the kitchen.
