Foundation of Your Cable Management

The Frame is the base component of your patchbox.one. It houses up to 24 Cable Cassettes, offering full flexibility and future-proof modularity.

Customizable and Modular Design

Easily mount the Frame in your rack and configure it with a variety of Cable Cassettes or Blind Panels to fit your setup and scale with your needs.

Maximum Compatibility

The Frame is compatible with patchbox.one Cassettes and its predecessor, the PATCHBOX Plus+ and PATCHBOX 365 Cassettes, giving you seamless upgrade paths and extended versatility.

Quick Installation, Zero Hassle

Designed for tool-free, efficient mounting in any 19" rack, the Frame enables rapid IT deployment and keeps your installation time minimal.
