R1,173

Supersize LCD display: Squinting every time you use your bathroom scales? Well, our Max electronic scales have a supersize LCD display for easy to read, hassle free weight measurements! Huge 250 kg capacity: Our versatile scales have an impressive 250 kg (39 st 6 lbs) maximum capacity,suitable for all users and even weighing your luggage before going on summer holidays! Instant weight readings: No waiting for the scale to switch on, simply step on your stylish scales and get instant weighing results, hassle free! Slim design for storage: The scale is crafted with tempered glass and measures just 25mm high, so you can store away under bathroom cabinets or in drawers after use. Or leave them on display and show them off – we don’t blame you! Carpet feet included: Take your weight readings anywhere in the house thanks to the carpet feet that are included with your scale. Add these onto the bottom for extra accuracy on uneven or softer flooring. Manufacturer: Salter | Maximum weight (kg): 250 | Memory (number of users): - | Automatic activation when stepping on the scale: Yes | Determination of body fat mass: No | Determining the amount of water in the body:
