Model: 9204 GFEU12

Manufacturer: SALTER

EAN: 5054061617658

Product Code: 601782

R984

Hidden LED display - The LED screen stays hidden until you step on, then lights up for a clear, easy-to-read weight display. No buttons, no fuss - just simple, effortless use every time. Toughened glass platform - Designed with a strong, durable glass surface, this keeps your scale safe and sturdy for everyday use, whilst still looking scratch-free and elegant. High capacity & multiple units - Whether you prefer kilograms, stones, or pounds, this scale easily switches between all three to suit your preference. It supports up to 180KG (400lbs) and is perfect for everyone in the family. Stable on any surface - Thanks to specially designed carpet feet, your scale stays steady and accurate no matter where you place it - uneven or slippery floors. Because nobody wants wobbly scales messing with their morning routine! Stylish grey finish - The sleek grey colour adds a neutral and sophisticated touch that fits effortlessly into any bathroom décor, both practical and stylish. Manufacturer: Salter | Maximum weight (kg): 180 | Memory (number of users): - | Automatic activation when stepping on the scale: Yes | Determination of body fat mass: No | Determining the amount of water in the body:
