

## Beper C301ABE110

Model: C301ABE110

Manufacturer: BEPER

EAN: 8056420227338

Product Code: 602007

## R628

The Ice Roller is a massaging and refreshing tool that promotes blood circulation and helps to smooth facial lines, reduce puffiness and dark circles.

By leaving the roller head in the fridge or freezer, the cooling effect on the skin tones the facial muscles and brightens the complexion, helping to relieve stress and tension.

For an instant cooling effect and quicker use, simply leave the roller in the freezer for a few minutes. Ideal for applying serums and creams to the skin, promoting their absorption, as well as brightening, refreshing and revitalising the skin.

Type: Ice roller facial massager | Operation from the mains: No | Skin type suitability: For all skin types | Attachments/Accessories included: Roller head | Material: Plastic | Dimensions (cm): 19.4 × 9 × 6.5 | Color: Beige | Special notes: roller head can be cooled in a refrigerator or freezer
