Cook quickly and evenly with the 1500W electric wok pan, ideal for healthy, quick and even cooking: stir-frying, browning, frying, stewing and steaming.

The depth of the pan allows you to handle ingredients with ease and reduces the risk of splashes. Equipped with a 5-level adjustable thermostat (removable for easy cleaning), a ceramic non-stick coating and a power indicator light for safe use.

The glass lid allows you to monitor cooking without heat loss.

Thanks to its large capacity (approx. 5 litres), it is ideal for hearty recipes and family meals.

Pan diameter 33 cm.
