

Beper P207ILO303

Model: P207ILO303

Manufacturer: BEPER

EAN: 8056420226973

Product Code: 602013

R734

A classic and elegant solar lantern, perfect for decorating and lighting gardens, balconies and outdoor spaces. Inside, there is a candle with an LED flame effect, which creates a warm and welcoming atmosphere, simulating the flickering of a real flame without the risk of fire. It is solar powered: it recharges in sunlight and turns on automatically when it gets dark, providing up to 8 hours of light. Equipped with a metal hook for easy hanging, it is also ideal as a decorative light for outdoor events. Its durable construction and IP44 protection make it suitable for outdoor use in all seasons. Product type: Solar garden lamp | Material: Plastic, Glass | Bulbs included: Yes | Mounting type: Standing, hook for hanging | Sensor type: Dusk sensor | Type of power supply: Solar panel with rechargeable battery | IP class: IP44 | Dimensions (cm): 14 × 14 × 27.5 | Color: Black
