

ASUS USB-BE92 Nano WLAN 2882 Mbit/s

Model: USB-BE92

Manufacturer: ASUS

EAN: 4711387706244

Product Code: 607352

R1,792

Instant Upgrade to WiFi 7

The WiFi 7 standard ensures efficient connectivity, accommodating the increasing number of connected personal and IoT devices. With the USB-BE92 Nano, your laptop or PC instantly benefits from the advanced WiFi 7 capabilities.

*Due to the compact design and USB interface, actual throughput and coverage are not guaranteed and will vary due to operating systems and access point limitations.
