to a smart device for remote control and edit shots in-camera.

Pro quality images and movies

Capture photos and 4K movies with a 24.1MP sensor using Dual Pixel CMOS AF and a refined 45 point all cross-type AF sensor plus iTR AF for precise focus and tracking.

Always capture the moment

Track subjects with 7 fps shooting, Eye AF in Live View, advanced iTR AF with face detection plus a Vari-Angle touchscreen to help you get every angle and never miss the action.

Connect and share with ease anywhere

Connect EOS 850D to a smart device via Bluetooth and Wi-Fi, edit via DPP Express for a full RAW workflow on the move, or backup images to your computer with Auto Image Sync.

Small and light

This lightweight and compact camera is built to be taken anywhere and with a vari-angle screen, you can shoot high and low, with confidence and flexibility.
