

Bosch 0 603 663 B07 Line/Point level 24 m 630 - 650 nm (10 mW)

Model: 0603663B07

Manufacturer: BOSCH

EAN: 4059952648033

Product Code: 618667

R5,977

All-rounder for precise aligning, squaring, and transferring with maximum visibility

When it comes to easy and fast aligning, squaring, and transferring, the AdvancedLevel 360 unites all the references needed, all in only one tool. Accurate aligning is ensured due to projection of the 360° horizontal laser line and the vertical line. Beyond that, the second vertical laser line, set at a 90° angle, makes for easy and exact squaring and the ceiling reference cross, complementing the plumb down, ensures fast transferring. Thanks to green laser technology visibility is up to four times better when compared to red laser lines, even under bright lighting conditions. Whether it's installing suspended ceilings, furniture at the same height, installing drywalls and shower cabins, or hanging up lights, this 360° line laser's qualities safeguard optimal results, even when applied on slightly rugged surfaces.
