

Cablexpert PP12-POE- 0.15M-W 0.15 m White UTP passive PoE adapter kit

Model: PP12-POE-0.15M-W

Manufacturer: CABLEXPERT

EAN: 8716309087292

Product Code: 621119

R556

Warranty: 12 | Gross weight: 0.055 | Net weight: 0.045 | Producer product name: PP12-POE-0.15M-W | Type: UTP passive PoE adapter kit | Colour of product: White | Cable length: 0.15 | Other features: PoE Injector cable: RJ45 female + power female to RJ45 male (external power adapter not included), PoE Splitter cable: RJ45 female + power male to RJ45 male, Enables power and data transfer over single network cable. This passive Power over Ethernet injector + splitter adapter kit is an ideal solution to supply e.g. your IP Camera with power and data without adding an extra cable. This kit contains 2 adapters which manage the power and data transfer over only one single network cable. This very useful when you do not have a power socket anywhere near your IP camera. The PoE injector cable combines power and data onto the network cable and the PoE splitter cable converts the signal back to separate power and data for your IP Camera. Plug and Play: no installation or configuration required. | Compatibility: Perfect for use with IP-cameras | Packing quantity: 1.00 |
