Broad Connectivity

Using a single USB-C port on your device, the Dalyx offers all-round connectivity. Connect your tablet or laptop to a monitor or TV through the HDMI port to watch films and view photos in ultra-high resolution and rich colours thanks to HDMI 1.4 (4k30Hz). Charge your laptop via the USB-C PD (Power Delivery) port and add other devices like your keyboard or an external drive using the USB-A port.

Stylish Office and Travel Essential

The adapter comes in a durable die-cast aluminium alloy housing, making for a stylish addition to your desk setup and work kit, whilst its compact design makes it perfect for travelling. If you need to connect with various devices away from home, the Dalyx is your go-to office and travel essential.
