new TM-P80IIC is compact, stylish and even lighter than its predecessor. Now offering enhanced impact resistance, plus protection from dust and water ingress to IP54 standards, it can handle barcodes and 2D symbols, and includes an auto-cutter and de-curler module to ensure flat, clean receipts. With USB-C connectivity, plus support for Bluetooth 5.0 “classic” and low-energy modes, it provides excellent range, seamless pairing and reliable all-day battery life, while its Wi-Fi 5 capability delivers excellent wireless performance, plus a Wi-Fi “Direct” mode, enabling direct connection of up to 8 devices without the need to connect to a network or hotspot. Plus, as the TM-P80IIC AC is Qi-enabled, charging is effortless, quick and reliable.
