Connect a DisplayPort source to an HDMI display up to 6.6ft (2m) away, with support for up to 8K 60Hz w/HDR video

Connect an 8K 60Hz or a 4K 144Hz HDMI display to a DisplayPort-enabled desktop at a distance of up to 6.6ft (2m), using this DisplayPort to HDMI Adapter Cable.

High-Resolution HDR Video

This DP to HDMI Cable enables resolutions of up to 8K 60Hz and is HDMI 2.1 FRL complaint. It supports HDR10, HDCP 1.x/2.2/2.3, and DSC 1.1/1.2a. The adapter cable supports 7.1 channel audio with Dolby Atmos and DTS:X.

*DSC support required to reach maximum resolution capabilities on Intel 11th Gen or later

Universal Compatibility

The DisplayPort to HDMI Converter Cable is compatible with desktops from various brands such as Dell, HP, Lenovo, and more. It works with all hardware platforms and any operating system. The DP to HDMI Cable requires no drivers or software and works with dedicated graphics card from Nvidia and AMD.

Thoughtfully Designed

Combining a video adapter and cable minimizes potential points of failure and signal loss. Adaptive receiver equalization optimizes the input signal and amplifies the output signal to ensure compatibility with high-resolution monitors. The cable is equipped with cage shielding to prevent Electromagnetic Interference (EMI).
