

Owl Labs Expansion Mic for Meeting Owl 3 - extend audio reach in larger spaces by 8 feet (2.5 meters) in the direction of the mic.

Model: EXM100-1100

Manufacturer: OWL LABS

EAN: 850022203916

Product Code: 629389

R6,539

Expand the audio range of your Meeting Owl by 8 feet (2.5 meters) by connecting to the Expansion Mic. Put a mic closer to participants so quieter and more distant voices can always be heard. Seamlessly manage meetings with a mute button at your fingertips. Easy Expansion Mic Cable and optional mounting bracket included. Designed to work exclusively with the Meeting Owl 3 for optimal performance and complementary design. Not compatible with Meeting Owl Pro or Meeting Owl original.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Extends the audio pick-up range of the Meeting Owl 4+ or Meeting Owl 3 from 18ft to 26ft in the direction of the mic to ensure that the Meeting Owl recognizes voices that are quieter or further away from the Owl.

Easy access mute button keeps the conversation easily flowing for participants further from the Meeting Owl.

Connects to the Meeting Owl 4+ or Meeting Owl 3 using a Expansion Mic Cable.
