Minimize accidental disconnections using this HDMI Cable with gripping connectors

Connect to a 4K UHD TV or monitor, using this High Speed HDMI Cable. The connector markings enable quick visual identification, distinguishing this cable from other similar-looking or unmarked HDMI cables. Eliminate guesswork and always choose the appropriate cable to support full HDMI 2.0 capabilities.

Gripping Connectors

The HDMI UHD Cord features gold-plated gripping connectors to prevent accidental disconnections. The connectors attach securely to HDMI device ports, making this cable ideal for critical A/V setups such as security systems and HDMI switches.

Durable Design

The HDMI Monitor Cable features a flexible TPE outer jacket that is tested to withstand 2,000 bending cycles at -/+60 degrees, and routes easily around corners and desk edges. Robust strain reliefs enable convenient positioning of the cable. The durable Gold-plated connectors are rated to operate beyond 10,000 insertions.

Supported HDMI 2.0 Features:

This High Speed HDMI Cable supports full HDMI 2.0 features:

• Resolutions up to 4K 60Hz using a compatible HDMI source and display
• Supports high refresh rates including 1440p 144Hz and 1080p 240Hz
• 21:9 Aspect Ratio support for cinematic viewing experiences
• High Dynamic Range (HDR10) for higher contrast ratio and vibrant picture quality
• High-Bandwidth Digital Content Protection (HDCP) 2.2 for a secure connection between source and display
• Audio Return Channel (ARC) for sending audio from the TV back to an AV receiver or soundbar
• Up to 32 Uncompressed Digital Audio Channels
