R10,100

Offering total flexibility and convenience for modern home and office work, the iX2500 fits how and where you work. The Quick Menu offers instant ad-hoc scanning, while customised buttons can be easily created for recurring tasks – matching your own scanning preferences and habits. What’s more, usable scanned data can be instantly recognised and activated as a working link – enabling you to click directly on numbers or addresses to make phone calls or send emails in an instant.

The gateway to digitising your life and working smarter

Its small footprint also means the iX2500 can conveniently fit into many more desktop spaces than alternatives in the market. The iX2500 is also intuitively designed for an easy, effortless user experience. The 5-inch capacitive LCD touch screen offers popular ScanSnap design elements such

as one-touch scanning directly from the unit, while its rapid 45 page per minute double-sided scanning speed
and 100 sheet chute capacity mean you will breeze through your scanning tasks in no time. There’s plenty of personal productivity packed into our most versatile scanner yet, enabling simple digitisation of your documents and data, how you want, wherever you want.

Smart data recognition

Your usable scanned data can be instantly recognised and activated as a working link – enabling you to click on numbers or addresses to make phone calls or send emails in an instant. No copy/paste necessary.

Tailored to your scanning habits

Made to match your needs, the iX2500 features a Quick Menu for ad-hoc scanning while also enabling you to easily create customised buttons for recurring scanning tasks.

Takes up less space while you scan

The iX2500 has an in-use footprint of only 477mm x 292mm. Significantly smaller than alternative products

Intuitive design for a quick and easy user experience

The iX2500 features a 5-inch capacitive LCD screen with popular ScanSnap design elements including one touch scan for a simple scanning process.

Scans quickly – saving you time and effort

To speed up the process even further, the iX2500 can hold up to 100 sheets and scan up to 45 double sided pages per minute.

Software solutions that can assist with photo processing:
• "PFU Clear Image Capture" – This feature is directly integrated into the iX2500 scanner.
• ScanSnap Home – This software must be downloaded separately, but it offers additional features
