Lindy USB Type C to HDMI 4K60 Adapter Cable with HDR allows users to easily add external video capabilities to a computer featuring the USB Type C port with additional support for DisplayPort Alternate Mode. The HDMI connector of the adapter cable can be directly connected to the HDMI display - while the 2m cable allows for a more flexible positioning of the HDMI display than when using a box converter - perfect for a simple and adaptable installation.

With support for resolutions up to 4096x2160@60Hz and with additional support for High Dynamic Range, 4K content can be viewed with crystal clear clarity, enhanced contrast and more lifelike colour. These cables are great for creating eye-catching retail displays, innovative working environments or immersive video playback in sports bars and home cinema installations, while support for uncompressed multi-channel audio allows for an impressive three-dimensional surround sound performance to compliment detailed, clear video.

This cable is powered by the USB Bus, therefore no external power supply is needed and with 'Plug
