

AG Neovo CB-01 1.8 m HDMI DVI-D Black

Model: CB01001100000

Manufacturer: AG NEOVO TECHNOLOGY

EAN: 4710739591439

Product Code: 632847

R962

Designed to maintain signal strength and deliver high-definition video, the CB-01 cable is perfect for multimedia installations featuring AG Neovo displays. The gold-plated connectors protect against corrosion that degrades high-definition TV and video signals. The CB-01 is also double shielded to eliminate electromagnetic or radio frequency interference, resulting in maximum display clarity for cutting-edge multimedia environments.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
