The Jabra GN2100 mono headset proves that style and performance can seamlessly work together in the contact centre or office. The Jabra GN2100 combines advanced noise-cancelling microphone technology, real life durability and the flexibility to choose your preferred wearing style, all in a lightweight, great looking corded headset. Connect to your deskphone with QD (Quick Disconnect) connect cables. Flexible 3-in-1 design allows for headband, ear hook or ear loop wearing style. Also features a noise-cancelling microphone (standard microphone sensitivity) to eliminate ambient noise.

An award-winning headset series for businesses and contact centres that features a variety of wearing styles and a comfortable fit
