Model: HDMIDVIMF

Manufacturer: STARTECH

EAN: 065030811378

Product Code: 634029

R791

Connect DVI capable devices to HDMI®-enabled devices and vice versa

The HDMIDVIMF HDMI® to DVI Cable Adapter features one HDMI male connector and one DVI-D female connector, which enables a bi-directional connection between HDMI-capable devices and DVI-D capable devices to overcome compatibility issues.

Designed and constructed to provide a dependable HDMI to DVI connection, this high quality adapter is backed by StarTech.com's Lifetime Warranty.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
