

BenQ RM8605 interactive whiteboard 190.5 cm (75") 3840 x 2160 pixels Touchscreen Black

Model: 9H.FC6TC.DE1

Manufacturer: BENQ

EAN: 4718755096105

Product Code: 636223

R157,466

Providing the simplicity and security that IT and teachers demand

Skip manual account setup with directory sync and manage users from Google, Microsoft, ClassLink, Clever, and other identity providers. Enable single sign-on with existing credentials for fast, secure device access.

Personal, secure workspace on every display

Teachers can log in securely with single sign-on and access their personalized workspace, complete with app shortcuts, wallpapers, and cloud storage.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

End-to-end management ecosystem

Device, app, and account management is easier than ever, significantly easing the burden on IT.

BenQ AI: your versatile teaching assistant

For every classroom situation

Smart tools. Effortless to teach with. The most advanced AI built right into your interactive display.

Elevate what matters: your students' experience

Designed for today's teaching styles and the evolving classroom of the future.

Do-it-all whiteboard

Go beyond writing and drawing with EZWrite 6. Expand the whiteboard, split sections for group activities, and enrich lessons with 3D images, templates, and live camera feeds.

Share, interact, and captivate

Wireless screen sharing is easy with InstaShare 2. Cast from a laptop or mobile device whether it's the full screen, an app, or media like photos, videos, camera feed, or Office files. It also ensures a focused classroom by automatically blocking inappropriate content.

Tools as diverse as today's classrooms

No two learning environments are alike.

The RM05 provides the adaptability to help every student excel.

Easy adoption first and foremost, ease of use a close second

Designed for easy onboarding, with a wide range of resources to help teachers and IT optimize the BenQ display experience.
