

Zyxel PoE12-90W PoE Injector power adapter/inverter Indoor

Model: POE12-90W-EU0101F

Manufacturer: ZYXEL

EAN: 4718937638178

Product Code: 643148

R2,265

Zyxel PoE injectors are here to meet the increasing demand for connections to high-speed networking devices such as WiFi 7 and WiFi 6 APs, surveillance PTZ cameras, and advanced POS terminals. The PoE12-30W supports network speeds of up to 2.5Gbps, while both the PoE12-60W* and PoE12-90W support network speeds of up to 10Gbps.
*Limited support for Cat 6a, with cable lengths of up to 30 meters.

The PoE12-30W complies with the IEEE 802.3at PoE+ standard, while the PoE12-60W and PoE12-90W comply with the IEEE 802.3bt PoE++ standard to provide PoE power budgets of up to 30W, 60W, and 90W, respectively. They ensure interoperability and compatibility with other standard-based PoE-capable devices.
