

Multibrackets M Universal Projector Ceiling Mount I

Model: 7350022730311

Manufacturer: MULTIBRACKETS

EAN: 7350022730311

Product Code: 643291

R1,287

Due to its extension arm it is also suitable in most living rooms, allowing everyone to create the perfect movie theatre at home. Its flexibility allows the user to adjust the distance from the ceiling to the projector.

Without the extension arm, the projector will hang 150 mm from the ceiling. The adjustable extension arm can be set to 150 mm or 430-630 mm. Projector cables can easily be hidden inside the extension arm.
