

Celly TC1USBC20WEVO mobile device charger Smartphone White AC Fast charging Indoor

Model: TC1USBC20WEVOWH

Manufacturer: CELLY

EAN: 8021735207757

Product Code: 644057

R900

This ultra compact ProPower wall charger with USB-C port allows you to quickly charge your devices up to a maximum of 20W. The charger can be used with various devices: smartphones, tablets and smartwatches.

Thanks to the Power Delivery technology, the charger will identify automatically your device and it will deliver the maximum output supported by the device (up to 20W delivered).

The GaN technology delivers faster charging in a more compact design, optimizing efficiency and reducing heat generation for an advanced and efficient charging experience.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
