The Multibrackets M Universal Wallmount Tilt Large is a low profile tilt wall mount for 40" to 86" flat-panel TVs up to 60 kg. Its flush design allows it to sit just 23mm from the wall focusing looks on your TV and not the mount. Its solid construction of steel is both strong and durable. After installation the TV can slide left and right on wall plate after mounting and thus give the end-user a possibility to perfect position the TV after installing it. The quick release straps on the mounting brackets stays hidden with Multibrackets Smart magnet system, but are when needed easily pulled down to unlock the TV from the wall plate for cable access.

The Multibrackets M Universal Wallmount Tilt Large includes a 5 year warranty.
