Neomounts

Model: AFL55-975BL

Manufacturer: NEOMOUNTS

EAN: 8721246340256

Product Code: 644283

R2,412

The Neomounts AFL55-975BL is a VESA extension kit designed for use with the FL55-975BL1 MOVE lift XL trolley. It increases the trolley's VESA compatibility up to 1500x600 mm, supporting displays with a maximum weight of 160 kg. This extension kit increases the installation options, making it ideal for ultrawide and XXL displays.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
