Product Code: 644395

R27,881

With the Neomounts PLASMA-W2500BLACK automatic height adjustable floor stand you place a large format flat screen on the floor and anchor it to the wall with the included wall mounts (7 cm distance). Get optimal positioning for both standing and seated audiences, in any application, in any part of your location. Perfect to use in a class room, boardroom, presentation room or public entrance.

The PLASMA-W2500BLACK is suited for screens between 42- 100" and has a load capacity of 150 kg. The mount is suitable for screens with a VESA hole pattern of 300x200 to 800x600 mm.

The mobile electric floor lift is automatically height adjustable over a height of 50 cm with a remote control. From the floor to the center the distance of the screen is variable from 119-169 cm. The
