

WD Blue SN5100 NVMe SSD 2TB M.2 POWERED BY SANDISK

Model: WDS200T5B0E-00CPE0

Manufacturer: SANDISK

EAN: 718037906263

Product Code: 653118

R9,878

The SanDisk WD Blue SN5100 2 TB internal hard drive harnesses performance and reliability for demanding applications. With a capacity of 2 TB, it provides ample storage space for files, games, and multimedia. The use of 3D NAND technology ensures data management and efficiency, enhancing read speeds of up to 7100 MBps and write speeds of 6700 MBps, making it a choice for both casual users and professionals.

Built to withstand varying environmental conditions, the SN5100 operates within a temperature range of 0°C to 85°C and offers a robust endurance of 900 TB. The M.2 2280 form factor allows for installation, while PCI Express 4.0 (NVMe) interface ensures fast data transfer rates and responsiveness. Designed with features like ATA security and nCache 4.0 technology, this SSD offers speed and security for users demanding reliable performance from their storage solutions.
