

MSI MPG A1000GL PCIE5 II 1000W PSU

Model: MAG A1000GL PCIE5 II

Manufacturer: MSI

EAN: 4711377246729

Product Code: 653123

R3,819

The MSI MAG A1000GL PCIE5 II power supply is designed to provide reliable performance for gaming and professional systems. With a robust output power of 1000 W, it ensures stable energy distribution for all components, thanks to its single 12V rail and efficient DC-DC technology. This power supply features fully modular cable management which simplifies installation and enhances airflow within the case. It includes a variety of cables, including a 24 pin ATX modular cable, 8 pin PCI Express power cables, and a 16-pin 12VHPWR power cable, allowing for versatile connectivity options.
