R1,099

The LANBERG CA-HDMI-20FB-0100-BK is designed for audio and video transmission. Featuring a double shielded design, this HDMI cable ensures minimal interference and supports technologies like HDR and Audio Return Channel (ARC). With a robust data rate of 18 Gbps, it allows for seamless streaming of 4K 60 Hz content, providing a stunning viewing experience. The cable is equipped with gold-plated connectors for enhanced connectivity and durability, while the aluminum connector housing adds to its aesthetic and functional appeal. Whether for gaming or high-definition video playback, this High speed HDMI cable meets demands for performance and reliability.
