R2,629

The Canon PIXMA TS6550i is designed to meet printing, copying, and scanning needs with ease and efficiency. With versatile connectivity options including USB 2.0 and Wi-Fi, printing from mobile devices is simple. The device supports AirPrint and other mobile printing solutions, ensuring users can print documents from their smartphones or tablets seamlessly. Designed for flexibility, this printer accommodates various media sizes, from A4 to Legal, and offers multiple borderless photo sizes. Featuring an OLED display, users can navigate through its functionalities. The copying features allow users to create multiple copies, utilize two-sided copying, and enhance scanned photos, making it a suitable addition to any home office or small business.
