Fast printing for busy lives

Whether it's a vital work document or gig ticket, get what you need when you need it, thanks to an upgraded print head with print speeds of 14 ipm mono and 9 ipm colour, and increased number of nozzles that supercharge productivity.

Superior quality with pigment black ink

Experience clearer prints that are easier to read with intelligent dot placement and ink optimisation, delivered by our FINE cartridge system and updated pigment black ink.

Seamless use thanks to enhanced connectivity

Enjoy hassle-free operation however you print, thanks to a combination of stable dual-band Wi-Fi (2.4GHz/5GHz), a simple QR code setup, and a bright 1.42" OLED display.

Mobile printing that's smartphone savvy

Smartphone printing is easier than ever, with QR codes for speed or the Canon PRINT app for added functionality — compatible with Apple and Android devices, plus cloud services via the app.

Convenient & compact design

A streamlined design for the space-conscious means our home printers can be kept on shelves or desks without requiring rear access.
