

NATEC USB Charger Ribera GaN USB- A+USB-C Power Delivery 45W black

Model: NUC-2143

Manufacturer: NATEC

EAN: 5901969444247

Product Code: 653221

R838

The Natec Ribera power adapter is designed to deliver efficiency and reliability, making it an essential accessory for charging devices. This versatile wall charger employs GaN technology, providing powerful charging capabilities while maintaining a compact size. With a maximum output of 45 W, it supports multiple charging modes, catering to different devices and requirements. Equipped with short circuit, overheat, overvoltage, and overcurrent protection, this power adapter ensures the safety of connected devices. The input features a Europlug and offers two output options: a 4-pin USB Type-A and a 24-pin USB-C. Additionally, it can simultaneously charge up to two devices using fast charging technologies such as Quick Charge 3.0 and Power Delivery 3.0 + PPS, making it suitable for both home and office use.
